**ALL STUDENTS MUST LEAVE THE BUILDING BY 2:20 UNLESS ACCOMPANIED BY A SPONSOR, COACH, TEACHER OR ADMINISTRATOR.**

Teachers need to sign the student's agenda book if the student is allowed to stay late or come in early. Coaches/teachers MUST stay with students outside until their ride arrives.

**GENERAL INFORMATION**

**LOCKERS**

Students may rent a locker for \$2.00 a year for the storage of books and equipment. It is the student's responsibility to see that the locker is kept locked at all times. The school is not responsible for lost or stolen items from the lockers. Any problems should be reported immediately to a custodian. Some lockers can be repaired very easily while others require a locker repair service to be contacted. Security is sacrificed anytime students share their combinations with other students. Only one locker may be purchased per student. Additional locks are not permitted on school lockers. All lockers are school property and remain at all times under the security of the school. **Periodic inspection of lockers may be conducted by school authorities for any reason at any time without notice, without student consent and without a search warrant.**

**LOST AND FOUND**

Items found in and around the building will be brought to the cafeteria and kept there for a limited period of time. Items can be claimed during lunch. Found articles should not be taken off the campus.

### **VISITORS**

All persons who are not students or faculty members of Grayson High School must have the expressed permission of the administration to be on campus or in the school buildings. Visitors to the school or campus should check in at the main office. **No visitor, with the exception of a parent or guardian, will be allowed to attend classes or have lunch. Parents are encouraged to attend. As a professional courtesy, please notify a member of the leadership team beforehand. Outside food may not be brought into the school/delivered for students.**

### **STUDENT ACCIDENT INSURANCE**

If you wish to purchase student accident insurance for the school year, ask for an information brochure and mailing envelope from the school office. Two types of student insurance policies are available. They are (1) Coverage while the student is at school and (2) Full-time coverage (24 hours). School Time and Full Time Coverage include all sports except football for students in grades 9-12.

### **CAFETERIA SERVICES**

Grayson High School offers an excellent lunch program to its students and staff. Student meals are \$1.75 and adult meals are \$2.25 for a regular meal. Lunch lines are operated on a self-serve basis allowing students a choice of items as well as portions to be served. Students may elect to serve larger portions of particular items but will be appropriately charged for these extra portions. Students are not allowed to leave the campus for lunch and all food should remain in the cafeteria. Per Gwinnett County Policy, no charging of lunches is permitted.

### **STUDENT EDUCATIONAL RECORDS**

"Under the Family and Educational Rights and Privacy Act of 1974, parents have several rights. These include the right to inspect and review educational records of their child, the right to challenge the content of those records, the right to control the release of the educational records of their child, the right to complain to the Family Educational Rights and Privacy Office about the school's failure to comply with the law, and the right to be informed of these rights just listed. To obtain a copy of Gwinnett County's policies on its compliance with the law, or to request the opportunity to inspect and review their child's records, parents should contact their child's school."

Gwinnett County Public Schools provide the student and his or her parent with important rights pertaining to student records through policy "JR." These rights include the following:

- the right to receive this information in a format understandable to the student and parent
- the right to inspect and review student records by parents (and in the case of students over the age of eighteen, by students) within 45 days of the request and the right to have the records explained
- the right to copies of student records
- the right to challenge the content of student records and the procedures for doing so, including the availability of formal proceedings to resolve these disputes
- the right to request that material be removed from student records and the procedures for doing so
- the requirement of parental or student consent and methods of consent before the disclosure of student records except in certain specific circumstances
- the rights of separated or divorced parents and legal guardians pertaining to student records

- the schedule of destruction of particular student records the content, location and particulars concerning permanent records, official records and supplemental records.
- The student or parent may contact the local school for more information about the above list of rights.

"Copies of a student's educational record may be transferred to officials of other schools or school systems in which the student seeks to enroll. Unless parents express, at the time of enrollment in the Gwinnett County Public Schools, a need for additional notice of the transfer of student records, the records transfer to the enrolling school or school system will occur without further notice."

"School officials must require the parent or guardian to provide proof of residency in the district and attendance zone at the time a student is initially enrolled in a school."

#### **MEDICATIONS**

Taking medication at school is discouraged. However, in the event a student must take medication at school, any medication, prescription or over-the-counter, must be turned in to the clinic. **All medication is dispensed in this office and is kept in a locked cabinet.** All medications must be in the original bottle and accompanied by an Administration of Medication Form. Any medication sent in envelopes, baggies, etc. will not be administered. These forms are available through the clinic. Failure to take medications to the clinic could result in serious disciplinary action, from 3-day suspension to disciplinary panel.

#### **TRANSPORTATION AND BUS NOTES**

Gwinnett County School System provides bus transportation to every student enrolled in school, provided the student lives within the county and attends the appropriate school within his/her school attendance zone. For information regarding routing or other bus concerns, please contact the Transportation Office at 770-338-4800.

All bus notes requesting permission to ride a bus other than the student's normal bus must be brought to the Attendance Office **before school** so that a parent may be reached and the note verified. Students may pick up their Mapnet bus notes DURING LUNCH in the Attendance Office. This note is required before anyone can board a bus that is not their own.

#### **TEXTBOOK POLICY**

It is the policy of the Gwinnett County Public Schools to administer a system of maintaining and controlling textbooks, library books, and media materials. Recognizing that these materials represent a sizable financial investment, the system will establish rules and regulations as it deems necessary for the care and protection of these materials.

These rules and regulations may include any of the following sanctions against a pupil who fails to pay for a lost or damaged textbook, library book, or media material at the replacement cost:

- Refusal to issue any additional textbooks, library books, or media materials until restitution is made, or
- Withholding of all grades, diplomas, records, or certificates of progress until restitution is made
- Withholding/withdrawing parking privilege

### **KEEPING GRAYSON HIGH SCHOOL CLEAN**

In order to maintain the outstanding facilities we have been given, students are expected to help keep the campus clean and free of debris.

### **HALL PASSES/AGENDA BOOKS**

All students will be issued a Ram Guide, which will be used as a hall pass, daily planner, and student resource. If lost, students are to purchase a new one for \$10.00 from Rampage (school store) at their expense.

### **CURRICULUM AND INSTRUCTION**

#### **GRADING SYSTEM**

A = 90 - 100

B = 80 - 89

C = 74 - 79

D = 70 - 73

F = 0 - 69

#### **INCOMPLETES**

Incompletes will **not** be given. If a student has missed an assignment due to an excused absence, the grade of zero will be averaged in the place of that grade **until the student makes up the work within five (5) days or following other arrangements granted by the teacher.** All **pre-assigned** work will be due on the day of a student's return from an absence. All incomplete work carried over into a new semester should be completed no later than the fifth school day following the excused absence and should be approved by the AP for Curriculum and Instruction.

#### **MAKE-UP WORK**

When a student has an excused absence, he/she has five (5) school days or according to a plan devised by the teacher to make up missed work. A student who has been suspended must be given the opportunity to make up the work missed when he/she returns to school. No work will be sent home during suspension.

**The five-day rule does not apply to long-standing due dates on assignments such as term papers, projects, and on-going reading and in some cases tests/exams.** In those cases, it is generally expected that the student would turn in the assignment on his/her first day back in school.

#### **PROGRESS REPORTS/DEFICIENCY REPORTS**

Progress Reports are sent out 4 times each semester- at 6 weeks, 9 weeks, 12 weeks, & 15 weeks. The report gives the cumulative grade at the time of issue. Parents may also request electronic progress reports on a weekly basis if they have Internet access and an email address.

#### **REPORT CARDS**

Report cards for first semester will be given to students during the first two weeks of the following semester. Report cards for second semester will be mailed home approximately 2 weeks after school has ended.

#### **REQUEST FOR HOMEWORK**

A student who will be out of school for three or more consecutive days may request homework assignments through the School Clinic for the period of time he/she will be

absent. However, **the teachers are to have 48 hours notice**, and the student is expected to turn in all requested work within three school days upon returning to school. Homework cannot be requested while the student is absent due to suspensions. However, many teachers have homework posted on the school web site.

#### **SCHEDULE CHANGES**

**Changes in students' schedules will not be made to move a student from one teacher to another or from one period to another unless the school must do so to balance class sizes. Legitimate reasons for dropping/adding classes once the semester has begun are**

- The student has already received credit for the course.
- The student is taking a course out of sequence.

**Students should write a letter to the AP for Curriculum and Instruction indicating which reason makes it necessary to change a class. Schedule change requests received before the new semester begins will be considered but not guaranteed.**

#### **ADVISEMENT LEVEL CHANGES**

Only juniors who are eligible to graduate will be granted advisement changes after first semester. A student will be placed in an advisement based on the number of credits earned by the beginning of the school year.

Juniors who are eligible to graduate at the end of the current school year must take the initiative to contact the Curriculum Office to apply for a change in advisement.

#### **HONOR ROLL**

Students who achieve a 90 or above average for a semester are considered to have earned Honor Roll status. (Grades will not be rounded to the next highest number in order to achieve eligibility for this academic recognition.)

#### **ACADEMIC LETTER REQUIREMENT**

Students who earn a 90 or above average for **each** semester of the preceding year will be recognized at an official ceremony in the fall. The student will receive a letter of recognition for his/her first year and will receive a pin for each subsequent year of recognition. (Grades will not be rounded to the next highest number in order to achieve eligibility for this academic recognition.) Students transferring from schools outside of Gwinnett County will be recognized for equivalent academic work earned at another school and will be eligible for a Grayson letter after one full year in attendance.

#### **GIFTED EDUCATION PROGRAMS**

The Gwinnett County Public Schools gifted education program serves students in grades K - 12 by providing academic challenges for those who are intellectually advanced. The gifted program is called FOCUS at the elementary level, PROBE at the middle grades and Gifted Program at the high school level. Any teacher who has knowledge of a student's intellectual abilities may refer a student to the local school's gifted referral committee.

The classes offer accelerated learning and enriched academic curriculum experiences that focus on and extend Gwinnett County Public Schools' Academic Knowledge and Skills.

**Students are identified and placed in gifted education based on criteria established by the Georgia General Assembly and the Georgia State Board of Education.**

Students who transfer from gifted education programs within the state of Georgia have reciprocity into the Gwinnett program providing the original placement was correctly

completed. Students who transfer from out-of-state must meet Georgia requirements. Parents should notify the school when registering their child that he/she was identified as a gifted education student in their previous school.

#### **VOLUNTARY STUDENT CONTRIBUTIONS**

School contributions may be collected for the purposes listed herein. These funds are over and above funds provided under the Quality Basic Education Act. Contributions will not be compulsory, a grade may not be withheld, and access to credit-granting courses will not be denied because of non-payment of listed contributions.

#### **VALEDICTORIAN AND SALUTATORIAN**

The Valedictorian and Salutatorian will be determined after the completion of fall semester in December. The college preparatory senior with the highest cumulative grade point average will be recognized as the Valedictorian. The college preparatory senior with the second highest cumulative grade point average will be recognized as Salutatorian. Both students shall be enrolled at Grayson High School from the first day of school in August and must take a minimum of three classes at this school (if jointly enrolled) first semester of their senior year to be eligible for these honors.

#### **HONOR GRADUATES**

Senior students who have achieved an overall cumulative grade point average of 90 or above at the completion of fall semester in December will be recognized as Honor Graduates. (Students who believe their averages have risen to this level after spring semester must contact the counseling office with proof of their new average in order to be recognized.)

#### **HOMEcoming & PROM REPRESENTATIVE REQUIREMENTS**

In order to be eligible to represent Grayson High School for homecoming court or prom royalty, students:

- Should not have served O.S.S. in the last 2 years.
- Must maintain a 2.0 G.P.A. and be on track for graduation.

#### **HOME AND PRIVATE SCHOOL COURSE VALIDATION**

In accordance with Southern Association of Schools Standards, please be aware that Gwinnett County Public Schools will validate competency, by course, before awarding Gwinnett County Public School credit for work completed at a home school or private school that is not accredited by the Southern Association of Colleges and Schools or its equivalent. (Examples: Middle States Association, North Central Association, New England Association, etc.) Students entering a Gwinnett County Public High School from a non-accredited public or private school or a home school program will be required to validate competency by examination. If you attend or plan to attend a non-SACS accredited school or a home school and subsequently request credit for the experience from a Gwinnett County Public School, please check with local school personnel for details involving awarding of Gwinnett County Public School credit.

#### **HOMELESS CHILDREN AND YOUTH**

The Stewart B. McKinney/Vento Education for Homeless Children and Youth Act ensures the educational rights and protections for children and youth experiencing homelessness. It provides legal protections for children and youth in homeless situations to enroll in, attend, and succeed in school and preschool programs. In accordance with this law, Gwinnett County Public Schools affords homeless children and youth equal access to the same free, appropriate public education, including public preschool

education such as Head Start, Even Start, State Pre-K, and Title I Preschool Programs as provided to other students. Homeless children and youth will have access to education and other services that he/she needs to have an opportunity to meet the same challenging state student academic achievement standards to which all students are held. Please contact individual schools for further information.

#### **SCHOOL ADMISSION OF SUSPENDED OR EXPELLED STUDENTS**

(Policy JDF) The Gwinnett County Board of Education may decide not to admit a student into the school system who has been suspended or expelled from another school system during the period of such suspension or expulsion.

Before an entering student will be excluded for the operative suspension or expulsion period, the Gwinnett County Board of Education will hold a preadmission hearing to determine whether the cause for a particular student's suspension or expulsion from another school system would justify suspension or expulsion from the Gwinnett County Public Schools. A certified copy of the other school system's order of suspension or expulsion shall be obtained.

If the student's conduct would have justified suspension or expulsion from Gwinnett schools, the student may be barred from admission for such time as is authorized by the school system's rules governing long-term suspension. This same process will be used to determine school admission enrollment eligibility for students who pose a threat to the school community.

State Law: Students in sixth grade or higher transferring to a new school will be required to provide academic and disciplinary transcripts to school officials. Students will be required to disclose conviction of designated felony acts and whether they currently are serving a suspension or expulsion from another school, the reason for such discipline, and the term of discipline. Schools can refuse to admit students under disciplinary action from other school systems. In lieu of compliance, a student may be admitted on a conditional basis if he/she and his/her parent or legal guardian executes a document providing the name and address of the school last attended and authorizing the release of all academic and disciplinary records to the school administration. O.C.G.A. 20-2-670.

#### **EXAM EXEMPTION POLICY**

Exam exemptions are for **second semester seniors only**. Seniors who have an overall cumulative average of 90 or greater at the end of Fall Semester, will be exempt from taking objective examinations for the second semester. Seniors who have an "A" average in a specific course may exempt from taking a second semester exam on a course-by-course basis. Seniors must meet the attendance and discipline requirements to exempt. At 4 absences, seniors may not exempt (College visits included). Three unexcused tardies will count as an absence. The performance exams must be taken by all students. End of Course Tests cannot be exempted.

If a student is eligible to exempt an exam, he/she may choose to take the exam. If the student chooses to take the exam, it will count the same as it does for all other students in the class.

#### **PROMOTION POLICY**

The following units are to be earned for class placement. **Class placement is made at the beginning of each academic year based on the number of units at that time and may not be altered during the year.** (With the exception of 2nd semester students who are eligible to graduate)

**Units Required for Homeroom Placement for Students Entering:**

**Grade**

10th grade	5 units
11th grade	11 units
12th grade	16 units

**COMPUTER NETWORK USER GUIDELINES AND RESPONSIBILITIES**

All computers accessed by students at Grayson High School are to be used for instructional purposes only. With Internet availability comes the responsibility of the user to access only materials that are considered educational in value in the context of the school setting. Grayson faculty and staff will make every effort to educate and guide proper use of technology including the Internet; however, on a global network, it is impossible to control all materials. Therefore, students will be held accountable for the appropriate utilization of the technology. **Remember: The fact that a student "can" perform a particular action does not imply that he/she "should" take that action.**

The use of any computer network or individual computer is a **privilege, not a right** which may be temporarily or permanently revoked at any time for abusive conduct. Such conduct would include the placing of unlawful information on a system, the use of abusive or otherwise objectionable language in either public or private documents, acts of sabotage that are likely to result in the loss of work or the network itself. Disciplinary action will be taken in all cases of network abuse.

In a networked environment (or on stand-alone computers) it is unlawful and/or unethical to

- Alter any component of the computer, including (but not limited to) hardware, software, and/or network setting (e.g., downloading files)
- Use the computer to harm other people
- Interfere with other people's computer work
- Use a computer to steal
- Gain unauthorized access to other people's files or programs
- Copy software for which you have not paid
- Damage or down the network, including (but not limited to) the introduction of a virus which results in lost work or a damaged system
- Damage or destroy the operating system or applications
- Steal or damage computers and network equipment (cables, connectors, keyboards, etc.)
- Gain unauthorized access to on-line resources by using someone else's password. In Georgia it is unlawful to share passwords with another person.
- Use the computer for other than instructional use (e.g., personal e-mail)

We are very fortunate to have labs, a media network and several stand-alone computers at Grayson. As users, students are expected to demonstrate the maturity and responsibility necessary when working in any computer-oriented environment. We expect students to understand that when working in a networked environment, every action taken by a user has the potential to affect the work of other users of the network.

**ACCEPTABLE USE POLICY**

The Board recognizes that electronic media, including the Internet, provides access to a wide variety of instructional resources in an effort to enhance educational opportunities.

Use of electronic resources must be in support of assigned responsibilities, and consistent with the vision, mission and goals established by the Gwinnett County Board of Education and for the purpose of AKS instructional support. All users of the district wide area network and/or other electronic informational services must maintain strict compliance with all applicable ethical and legal rules and regulations regarding access.

Strict compliance with all applicable ethical and legal rules and regulations must be maintained by all users of the wide area network and/or other electronic informational services including electronic mail (e-mail). Students may not read or write personal e-mail. Users must respect intellectual property rights and understand that school system data accessible over the network constitutes property. All electronic, telephonic, and communications transmitted by, received from, or stored in these systems are property of the Gwinnett County Public Schools. Users of such systems should have no expectation of privacy. No personal headphones are to be used on GCPS equipment. If headphones are necessary for an activity, they will be provided by the instructor. Instructional use of e-mail for legitimate educational purposes is allowed under the direct supervision of a GHS education team member and will be subject to monitoring and review, including review of text and attachments that are related to that student or students. Accessing Chat sessions or computer hacking sites are in violation of our acceptable use policy. At NO TIME should a student consider e-mail private or confidential in any way.

Students who wish to bring their **computers or wireless electronic devices** into the building must adhere to these guidelines. Computers may be used for legitimate instructional use only. Students may not attempt to access our network either through our wireless system or by hard connection. Any attempt to access our network will result in the immediate confiscation of the **computer or wireless electronic device**, and disciplinary action. Students must have permission from the Instructor to bring their **computers or wireless electronic devices** into school. Instructor will issue the appropriate form to the student to be signed by the student and parent. Computer games of any kind are not acceptable instructional use and therefore are prohibited. Students must have an AUP signed and kept on file with the instructor. Gaming devices are prohibited both during and after school hours except under the direct supervision of the instructor.

It is important to note that with a global network it is impossible to control or predict all materials a user may accidentally or purposefully discover on an electronic resource. Gwinnett County Public School personnel will make every effort to educate and guide all users in the proper use of electronic media, including the Internet. Because access to the Internet provides connections to other computer systems located all over the world, users (and parents of users) must understand that neither the Gwinnett County Public Schools or any district staff member controls the content of the information available on these other systems. Some of the information available is controversial and sometimes may be offensive. The Gwinnett County Public Schools DOES NOT CONDONE the use of such materials. Therefore, it is imperative that the user be held accountable for the appropriate utilization of this technology.

**ACCESS IS A PRIVILEGE - NOT A RIGHT!** All violations of the county and school **ACCEPTABLE USE POLICY** will result in a disciplinary referral to an Administrator of Grayson High School.

Local schools may establish additional regulatory guidelines for use of electronic resources that include, but are not limited to, guidelines established by this system wide procedure.

Building administrators shall establish a process for informing students and staff about the district and local school Acceptable Use Procedures.

The definition of GCPS information and data resources will include any computer, server or network, or access provided or supported by GCPS, including the Internet. Use of the computer facilities includes the use of data/programs stored on GCPS computing systems, data/programs stored on magnetic tape, floppy disk, CD-ROM's, DVD-ROM's computer peripherals, or other storage media, that is owned and maintained by the GCPS. The "user" of the system is the student using GCPS technology. The purpose of these guidelines is to ensure that all GCPS technology users share the GCPS technology resources in an effective, efficient, ethical and lawful manner.

GCPS technology should be used for legitimate educational reasons only, and not for personal use. Access is a privilege, not a right, and all students are expected to treat this learning tool with respect.

GCPS technology and electronic resources must not be used to:

- Harm other people.
- Interfere with other people's work.
- Use a computer to steal property.
- Gain unauthorized access to other people's files or programs.
- Gain unauthorized access to on-line resources by using someone else's password.
- Make changes to the hardware or software configuration of any machine, including installing or deleting any software.
- Improperly using the network, including introducing software viruses and/or bypassing local school or office security policies.
- Steal or damage data and/or computers and network equipment.
- Access, upload, download, and distribute pornographic, hate-oriented, profane, obscene, or sexually explicit material.

In addition, students may not upload or download any software, etc., or make changes to any parts of this computer. This includes but is not limited to the hard drive. Any action by a student that could potentially damage hardware is in violation of the acceptable use policy.

Failure to follow these guidelines can violate the Official Code of Georgia, OCGA, Codes 16-9-90, 16-9-91, 16-9-92, and 16-9-93, as well as United States Public Law 106-554, known as the Children's Internet Protection Act. Such actions can also lead to disciplinary actions, up to and including loss of access to GCPS technology resources and further disciplinary actions as defined by existing GCPS policies.

By logging into this computer YOU ARE ACCEPTING RESPONSIBILITY of what Internet sites are viewed and any other inappropriate activities that may occur. Make sure you log off this computer while not using it. Violations of the Policy will be YOUR responsibility.

Finally, please note that GCPS technology use is subject to auditing for legitimate purposes, as well as live monitoring where appropriate.

**(Note to student:** To ensure you are not held liable for another user's activities, log off the network at the end of your session. To terminate your session, go to the Start button, choose Shut Down, choose Close all programs/sign on as a different user, and click Yes.)

### **HOSPITAL/HOMEBOUND/TELECLASS**

A student who has a medically diagnosed physical condition restricting him/her to his/her home or hospital for a minimum of ten consecutive school days may be eligible for Hospital/Homebound/Teleclass instruction.

Service to eligible general education (non-handicapped) high school students may provide three hours of homebound/teleclass instruction per week. Minimum service will provide instruction in the core subjects of mathematics and language arts. However, instruction in other areas may be provided based on the availability of funding to support instructional personnel.

The Homebound/Teleclass program is not structured to replicate a student's entire course schedule. In the past, local schools have developed effective plans to accommodate students who have short-term absences by allowing students to make up work or by providing modified assignments. It may be necessary for the local school Student Support Team to develop a plan to address course work, which is not available through Hospital/Homebound/Teleclass Service.

Some courses are not suited for delivery through a homebound setting due to the technological and participatory demands of the course curriculum. Arrangements to address the specialized requirements of laboratory, performance of field-based courses will be made at the local school with the SST.

An evaluation of the student's eligibility is based on the student's medical diagnosis by a physician and by the duration of consecutive absences. Students who will be absent for at least ten consecutive school days, as certified by a physician, are eligible for homebound services. In the case of projected absences (e.g., subsequent to surgery) the request for services can be made prior to the occurrence of the absence. A request for homebound services is to be accompanied by the principal's signature and parental approval.

General education students whose absence is projected for more than 20 consecutive school days may be referred by the SST to review and develop reasonable and appropriate plans for meeting the student's educational needs. Such students, for example, may be referred for evaluation to determine eligibility for special education services, such as "Other Health Impaired" programming.

## **PARKING PROCEDURES AND REGULATIONS**

**Please Note: Only juniors and seniors are eligible to apply for a Parking Permit.**

Parking on campus is a privilege. Therefore, certain rules and regulations are expected of the student to maintain this privilege. At Grayson High School, a student must be in good academic, attendance, and disciplinary standing to purchase and keep a parking permit. At any time a student begins to exhibit inappropriate grades, attendance, and/or behavior, he or she will forfeit his or her parking privilege for the school year. The following criteria must be met before a student can apply for a parking permit:

- I. Be in a junior or senior homeroom at the beginning of the semester.
- II. Pass 5 out of 6 classes prior to and not fail more than one class after receiving a parking pass.
- III. Less than 11 days absence during the previous semester (this includes the fall semester in order to park in the spring).
- IV. No MAJOR disciplinary referrals (i.e. drugs, weapons, fighting, AWOL from school, or any activity that could lead to a county disciplinary referral). Any student suspended pending a disciplinary panel will lose their parking privileges for one year. Any student suspended for 4 or more days during the year will have their parking permit revoked.
- V. On the 4th Unexcused Tardy to School, parking privileges will be revoked for the remainder of that semester.
- VI. Students must be clear of all school fines (i.e. lost textbooks, overdue library books). All fines must be cleared before the application will be processed.
- VII. Due to a limited number of parking spaces, seniors will be given priority upon registration in regard to getting permits.

Each student who drives an automobile to school must register the vehicle by purchasing a parking permit. Parking permits cost \$60.00 for the year. **No refunds will be issued.** The parking decal must be permanently attached to the lower corner of the driver's side windshield. In the event a student must drive a temporary vehicle to school, a "Temporary Parking Permit" must be obtained from the Parking Lot Supervisor or School Administration. Personal notes left on the dash are not acceptable. Unauthorized vehicles will receive an "Orange Warning Sticker" on their windshield and/or a parking ticket. **Vehicles may also be towed at the owner's expense.** Students are reminded that ALL school rules are in effect in the parking area before, during, and after school.

Parking permits may not be sold, traded, or transferred from one student to another. Any student who sells, trades, or gives their parking pass to another student will have their parking privileges permanently suspended. The student who receives the unauthorized parking permit will have their parking privileges suspended for one year. Replacement stickers are subject to a \$5.00 fee. The original parking decal must be returned at the time of the replacement request. **Failure to return the original parking sticker will result in the student having to register their vehicle again for \$60.00.** Efforts are made to ensure parking lot security; however, Grayson High School and Gwinnett County Public Schools assume no responsibility for damages, loss, or theft. If a car accident occurs on campus, it is up to the individuals involved to report the accident to school officials and the police to settle damages.

**In addition to those things listed above:**

1. Drivers and passengers must leave their vehicles and parking lot **immediately** upon arrival and report to their classrooms.
2. No one may enter the parking lot during the day (except those students that are scheduled to leave) without written permission from the Administration. Your vehicle will not be used as a locker.
3. The Administration has the right to search your vehicle as deemed necessary. Such searches may be conducted without notice, without student consent, and without a search warrant.
4. Busses and pedestrians always have the right of way.
5. Be courteous and cautious. **Speed limit is 10mph.**
6. No loud mufflers, tire squealing, fast starts, “doughnuts,” reckless driving, or loud radios will be tolerated.
7. Students are not allowed to ride in the back of any pick-up truck.
8. After leaving school, students should not return without written permission.
9. No smoking while arriving in, leaving, or walking through the parking lot.
10. Any reassignment of parking spaces can only be done by the Administration.
11. Your vehicle must occupy no more than 1 space.
12. All vehicles must have a sticker attached to the windshield to park on campus. If a student needs to drive a substitute vehicle on a given day, he or she needs to get a “Temporary Parking Sticker” from the Administration.
13. Teachers cannot give you permission to park on campus. Any special parking arrangements must be approved through the Administration.
14. Students are expected to comply with all State of Georgia Traffic Rules and Regulations and Road Safety Rules while on school property.

**Parking Violations and Fines**

1. Parking in an Unauthorized area- \$10.00
2. Reckless driving (Speeding, Spinning tires, etc.)- \$20.00
3. Parking Permit not displayed- \$5.00
4. Excessive Parking Violations – Revocation of Parking (No Refund Will Be Issued)

7. Any Major Discipline Referral – Revocation of Parking for the remainder of the school year
8. Unauthorized Vehicle Parked on Campus – Towing at owner’s expense
9. Suspension Pending a County Discipline Panel – Revocation of Parking for one year.
10. Once a student had reached 4 or more days of OSS, their parking permit will be revoked.

**In case of a student’s parking privileges being revoked, the parking permit fee is Non-refundable.**

## GRAYSON HIGH SCHOOL ATTENDANCE POLICY AND PROCEDURES

### STATEMENT OF POLICY

School attendance is important because it underscores the significance of learning and the importance of obtaining an education in our society in addition to helping students develop good work habits that will carry over in life. Good attendance also correlates strongly with improved grades. A minimum level of attendance is required for attainment of the Academic Knowledge and Skills (AKS) curriculum. The responsibility of school attendance is that of both parents and students. The Superintendent has designated the minimum levels of attendance in procedure consistent with state standards.

### **ABSENCES TO THE TECHNOLOGY PROGRAM**

If for any reason you attend your home school classes but will be absent from your Grayson Technology Program classes, you should do ONE of the following:

- A. Check-out at your home school before leaving your home school that day. You should follow your home school procedures for checking out. Bring the check-out slip from your home school to your teacher in the Grayson Technology Program on the day that you return to class.
- B. Check-out from the Grayson Technology Program front office. An up-to-date attendance card must be on file.
- C. Have your parent/guardian call the Grayson Technology Program front office (770-554-7082) that day to let us know of your absence.

If for any reason you do not attend your home school classes but will be attending your Grayson Technology Program classes, you should check-in at the front office of the Grayson Technology Program.

If you are absent from both your home school and the Grayson Technology Program, you should bring a note from your parent/guardian indicating the reason for your absence to your teacher. It is recommended to bring a note to both your home school and your teacher in the Grayson Technology Program on the day that you return to class.

### **ABSENCES TO GRAYSON HIGH SCHOOL**

**If a student forgets his/her excuse, he/she has ONE day to present it or it may be considered unexcused. Work may not be made up for unexcused absences. After 10 absences, a doctor's note will be required for students to be allowed to make up work missed due to an absence.**

In accordance with state attendance guidelines parents/guardians must send a **signed**, written note or a doctor's note when the student returns to school explaining the reason for the absence, the date(s) of the absence(s), Student ID, and a daytime phone number. These notes should be taken to the attendance office within two (2) days of the student(s) return to school. If the student fails to bring a note, the absence will be regarded as an **unexcused explanation** for the absence. If a student has five (5) unexcused absences, the school will make contact with the parent/guardian or person having charge or control of the student to notify them of these absences and possible consequences. After two (2) reasonable attempts to contact the parent/guardian of the student's five (5) unexcused absences without response, the school shall send a written notice via certified mail with return receipt requested.

For students age 14 and over, the school also will notify the student and parent when the student is within 3 unexcused absences of having a report filed with the Georgia Department of Motor Vehicles which may result in the loss or denial of a learner's permit or driver's license.

State law calls for the suspension of a student's driver's license or permit for one (1) full year or until the student reaches the age of 18. If a student:

- A. Drops out of school and has remained out of school for ten (10) consecutive days.
- B. Has ten (10) or more unexcused absences from school during the current academic year or ten (10) or more school days or unexcused absences in the previous year

To facilitate prompt, appropriate communication between the home, school, parents/guardians or persons having charge or control of a student should notify the school immediately when there is a change in the student's address and/or phone number as listed in school records.

Possible consequences and interventions for unexcused absences, tardies or excessive early checkouts may include, but are not limited to, the following:
