

GRAYSON TECHNICAL EDUCATION PROGRAM

Applications Are Now Being Accepted!!

Attention all interested sophomore and junior students! The Grayson Technical Education Program offers exciting and innovative programs of study for both technical preparatory and college preparatory students. If you currently have at least eight credits (junior status by August 1) then you are eligible to complete an application for one of our cutting-edge programs. The state-of-the-art programs that are available are Technical Theater; Music Recording; Music Technology; Digital Media Design & Animation; Culinary Arts; Television & Video Production; Commercial Photography; Biotechnology; Veterinary Technology; Landscape Design & Management; Environmental & Conservation Science; Hotel, Travel and Tourism; Law Enforcement & Public Safety; and Computer Information Technology & Network Systems.

Students that take classes in the Grayson Technical Education Program can earn three units of technical credit for the Technology/Career-Preparatory Diploma or the Dual Diploma. Students take Grayson Technical classes both first and second semesters for a 2-1/2 hour block each day, so **be certain that you have room in your schedule to take a class in the Grayson Technical Education Program before registering.** Classes are Monday – Friday, 7:25-9:55 AM (Morning Block) or 11:40-2:10 PM (Afternoon Block). Students attend either 1st-3rd periods or 4th – 6th periods. Block students attend either 1st – 2nd block or 3rd – 4th block.

Applications are currently available for students to pick up in the counseling office or the technical building main office. Students are encouraged to get applications in early because many programs fill quickly! **Applications will be accepted until programs are filled; however, getting your application turned in early makes it more likely for you to get your first program of choice. All applications can be turned in to your home school counseling office OR directly to the Grayson Technical Building front office.** Applications will be processed as they are received at Grayson Technical. Final registration in a Grayson Technical program is pending review of all student information and will be determined by previous school performance, teacher availability and scheduling. Seniors will be given priority; however, Grayson reserves the right to assign students as needed.

Get your application in today!
